

Otters project homework Summer 1 2024

In History we are learning all about the Anglo Saxons.

Your homework project for this term is to create a presentation all about Anglo Saxon boats. You could design a poster, create a 3D model with information or create a PowerPoint of information.

Your presentation could include:

- Pictures/3D model
- Instructions to build or an explanation of how the boats were built
- A diary entry for an Anglo Saxon making the journey on a boat to the UK
- Any other interesting facts

Remember this is a homework **PROJECT** so you are expected to take your time to create something **AMAZING!** You might want to do a little bit each week or spend more time over a weekend completing your project. Make sure your project includes information as well as pictures or 3D models!

Presentations must be complete by Friday 17th May ready to share on Tuesday 21st May.

If you have any questions or need help with the homework please speak to Mrs Stapleton or Mrs Nixon.
