31st March 2023

Let your compassion come to me that I may live, for your law is my delight. Psalms 119:78

Dear Parents/Carers,

Wow, what a busy time it has been since our last Newsletter!

These are just a few things that the children have been up to:

- World Book Day (Author visit)
- Science Workshops
- Mother's day tea party
- Red Nose Day
- School Disco (thank you to FOMAS for their organisation and hard work!)
- Rock steady concert
- Easter Church service

I just wanted to share my heartfelt thanks because all of these wonderful things are made possible through your continued support.

I wish you all a happy, restful and hopefully sunny Easter break.

Miss Green - Head of School

Ladybirds

Ladybirds loved their walk to the farm! We missed the rain but enjoyed all the puddles. They were filled with such excitement to see the lambs, explore the barn, tractors and fields but also to ask questions and share their knowledge. Next term we will be learning all about places. Hopefully we will get a chance to take a minibus on our first school trip!

Hedgehogs

Hedgehogs have had a wonderful term learning all about Florence Nightingale. They have focused on materials and seasons in Science and written a character description in English. Have a wonderful Easter break!

Otters

Otters have had a very creative month! They have been bringing in some wonderful homework projects, for their history learning about the Romans. In art they have made some incredible pots in clay, inspired by Svend Bayer, which have then formed part of their subject for still life drawings, in the style of Italian artist Giorgio Morandi. Well done Otters! Have a lovely break over the Easter holiday.

Dolphins

Dolphins have been learning all about the rainforest and different biomes of the world. In science we have enjoyed learning about changes and investigating how babies change. We have worked hard on all aspects of SATs in year 6 and they continue to make Miss Mac proud every day, with their hard work!

Easter Service

The children sung their hearts out at our Easter Service that we held in the church and was led by Revd Katrina. Thank you to all the families that attended.

Parents' Evening

Thank you also for booking on via ParentMail for Parents' Evening and for to meet with your child's teacher or requesting telephone calls. All the appointments went well.

Comic Relief

Thank you to everyone who wore non uniform on Red Nose Day.

A total of £72.00 was raised by the school for Comic Relief. Well done everyone!
