**‘As you know, we count as blessings those who have persevered. You have heard of Job’s perseverance and have seen what the lord finally brought about. The Lord is full of compassion and mercy.’ James 5:11**

Dear Parents/Carers,

As we approach the end of another academic year, I wanted to take a moment to reflect on our shared journey and extend my heartfelt thanks for your unwavering support.

This year has been filled with remarkable achievements, memorable moments, and a collective resilience that has allowed our school community to continue growing!

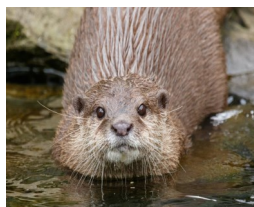

Our school is not just a place of learning; it is a community where each member contributes to the success and well-being of one another.

This sense of community has been our greatest strength and will continue to be the foundation upon which we build our future. As we look forward to the new academic year, we are venturing into an exciting new chapter.

My commitment to this school remains steadfast and I am prepared to take on new challenges with confidence, knowing that together we can overcome any obstacle and create a school where every student can thrive!

I wish you and your families a restful and joyous summer break.

Miss Green  
Head of School
